

Why participate with LG Nourse Elementary Parent Teacher Connection (PTC)?

1. Our Children Shine Brighter!

When families are involved, students are more confident, engaged, and academically successful. Together, we build the support system every child deserves.

2. A Stronger School for All!

By participating, you contribute to a school environment where students feel supported by caring adults - with special programs, events, and celebrations that make learning fun and meaningful.

3. Grow With Us!

Connect with fellow families, teachers, and staff. When we build strong relationships in our school community, students benefit from a network of shared care and support.

4. Your Voice Matters!

Your input helps shape school events and initiatives that directly impact students. Your voice ensures we create the best possible environment that is inclusive for all learners.

5. Stay in the Know!

Be part of the conversation! The LGN PTC provides opportunities to meet monthly, volunteer at the school, and shares regular updates so families can stay informed and involved in the student experience.
